Requests for License Reinstatement

- A. S. V. Bailey, RN263515; RN-07-166
- B. K. Murdock, RN237690; RN-02-097

DISCUSSION:

- A. <u>S. V. Bailey, RN263515; RN-07-166</u> Board members reviewed T. Westgate's previously distributed memos. The Licensee falsified documents in April 2007. As of November 4, 2008, her license was subject to probations as a result. The Licensee failed to comply with all terms of the probation agreement and was fired from two facilities as a result of poor nursing practice. Board members reviewed Licensee's request at the June 19, 2013 and denied her request at that time as she provided no basis for the Board to believe she could comply with the terms of a new probation agreement. She returned this month requesting reinstatement as she has secured a nursing position with Lexington Health and Rehabilitation.
- B. <u>K. Murdock, RN237690; RN-02-097</u> Licensee admitted that he diverted narcotics from Bay State Medical Center for his own use in August, 2001 and practiced while impaired.

ACTION:

- A. S. V. Bailey, RN263515; RN-07-166; Motion by E. R. Rothmund, seconded B. Levin, and unanimously voted to grant the Respondent's request for Reinstatement as she has met all of the requirements outlined in her Agreement. The Reinstatement is on the condition that she enters into a Consent Agreement for Probation for six (6).
- B. <u>K. Murdock, RN237690; RN-02-097</u>; Motion by E. R. Rothmund, seconded by B. Levin with J. Killion opposed, and voted to grant the Respondent's request for reinstatement as she has met all of the requirements outlined in his agreement. The reinstatement is on the condition that he enters into a Consent Agreement for Probation for two (2) years with continued urine screens and also properly renews his nursing license.
